THE PUT UP JOB

Clint Adams was just marking time in Festus, Wyoming when he had a run-in with the biggest rancher in the county. Vance Restin had no respect for anyone, but when he realized that Clint was the Gunsmith, he tried to hire him for a special job—escorting the rancher's daughter to Sacramento. When Clint turned him down no matter how much money the rancher offered he found himself forced into a situation where he had to take the job or suffer the consequences. And when the job turned out to be a whole lot more than it was made out to be, Clint found his life in mortal danger!
