ICE PRINCESS

Alison Young had always lived by the rules: marry well, live quietly and never do anything scandalous. But deep down the wealthy widow knew something was missing and so she filled her lonely days with work. Then one day she looked out her store window to gaze at the sexiest man she'd ever seen...a man everyone said was a renegade.

Rafe Beaumont had never met anyone as beautiful as Alison. The cool, classy beauty was all that a guy with his less-than-spotless past could desire--but knew was out of reach. But Rafe wouldn't deny his love for Alison, and he refused to let anyone--or anything--keep them apart!
